Altoona, PA 16601

Dear Connie:

Thank you so much for the **very** generous grant of \$250.00 (your check #090012196) to Young Readers Council of Blair County for the Home Run Against Drugs program. It is greatly appreciated!

I am very thankful for the opportunity to work with such wonderful people like you in educating our area youth about the dangers of tobacco, alcohol and illegal drug use. **I really cannot thank you enough for your continued support.**

As always, you, or any member of your staff, would be more than welcome to attend any assembly program. I will send a schedule of the assemblies once they are set in the spring.

I look forward to presenting this needed and worthwhile program to approximately 950 second-grade students in the Altoona and Hollidaysburg area elementary schools.

With sincere thanks,

Sandi Smith
