Dear Bill;

Thank you so much for donating to the BCAF's annual operating campaign!

Your generosity will enable us to present wonderfully entertaining productions for young people; produce the annual Blair County Arts Festival; and, of course maintain Altoona's cultural treasure, the beautiful Mishler Theatre.

We are so thankful for all you do to help elevate the ARTS and the quality of life in our region, and we look forward to honoring your support by providing you with another year of fantastic performances and fun-filled events.

Please join us often!

Sincerely,

Kate Shaffer
