Dear Mr. Ritenour,

I cannot thank you enough for your generous contribution to my academic success. I am a senior nursing major, planning to graduate in May 2019. Thanks to you, this semester is covered financially & I will not have to worry about it. I have put myself through college for these past couple of years, working 2 jobs, & I cannot tell you how excited I am to finally be at the finish line. I am currently interviewing (and waiting to hear back from) Hershey Medical Center for Pediatric Oncology - my dream job! My goals

after graduating include working at Hershey Med, specializing in Peds Oncology, and eventually going on to obtain a masters degree as a Nurse Practitioner. This scholarship meant so much to me, and my future goals, so again, thank you so much for your generous donation. I am so honored to receive the C&G Savings Bank Directors Endowment, & will use it to succeed ~~from~~ academically, as well as in my career.

Just a note to say

Thank you so much.

Mr William Riterior,

I wanted to express my gratitude and appreciation for the scholarship, I have received from C & G Savings Bank Directors Endowment. It was a wonderful surprise to read the email that I had received informing me about this scholarship. It means a lot to have been considered, recognized and chosen.

Choosing Penn State Altoona has been the absolute best choice for my college needs as a first year. The small community with the students, professors and administration makes a very welcoming environment. I could not have imagined meeting all my great friends in Altoona so quickly, before I came. This campus was everything and more than what I needed after my high school experience.

Currently I am on track for majoring in finance although I have peaked an interest in Penn State's Supply Chain and Information Systems, major or minor. If I stick with finance, I would strive to be a financial advisor. I am interested in finding out where I will end up after my studies and excited to learn and experience, new things that will project me successfully into the real world.

I am truly honored the C & G Savings Bank Endowment have chosen me for the scholarship. I promise to keep my grades up and not let this scholarship go to waste. My experience has been truly amazing and would like to thank you for your support and confidence in me.

Thank you
