

Sara Byrne, PennCrest BANK's Patton Branch Manager, presents Patton Councilmember Mark Stephens with \$1,000 donation for the future Patton Park Mini Golf Center.

NEWS RELEASE FROM PATTON BOROUGH

PennCrest BANK Funds Patton Golf Course Project

Patton, PA: PennCrest BANK stepped up to the plate in helping fund Patton Borough's Mini Golf Course Project.

"For several months gifts of 25.00 to 500.00 have been trickling in to support this project. However, receiving \$1,000.00 is quite invigorating!" said Patton Borough Councilman Mark Stephens. Last February, Councilman Stephens proposed to the council implementing a mini golf course to be placed at Patton Park. Since then, he had hired engineer, communication, and marketing interns from local colleges to design and fundraise the future golf course.

"This summer our engineer students will propose the final mini golf course design to the council and we will continue to fundraise, fundraise, fundraise and go after as many grants as possible to get this mini golf course installed. This will become a huge asset to our community" said Stephens.
